

CLAIRE GU

Los Angeles, CA • (213) 682-5832 • clairegu.connect@gmail.com • [LinkedIn](#)

Experience

- Senal** — Prediction-market startup Remote
Founding Team, Growth & Marketing May 2026 - Present
- Own hands-on marketing execution across content, organic social, email, referrals, community, and launches; partner directly with product and founders while managing an external agency and collaborators.
 - Maintain campaign calendars and produce social, email, and community assets; use PostHog and Google Analytics to track acquisition, activation, and retention signals and guide iteration.
 - Built a World Cup campaign culminating in a nearly 100-guest Hollywood event with Michael Owen; owned promotional content, partner outreach, agency and vendor coordination, and onsite execution.
- PolyHub** — Copy trading and market intelligence Remote
Marketing Manager Aug 2025 - Apr 2026
- Built the product's audience from near zero to several thousand followers by translating complex product activity into timely social content, community conversations, and partner distribution.
 - Managed the social calendar and tested topics, formats, hooks, and distribution using performance data, improving post interactions by 15%.
- Euka AI** — Creator SaaS Los Angeles, CA
Marketing Associate Jul 2024 - Jun 2025
- Grew organic discovery by 35% through keyword research, on-page optimization, and 25+ educational articles, generating 5,000+ monthly organic visitors.
 - Built segmented email and partner campaigns that generated 200+ qualified leads; improved open rates by 28% and click-through rates by 15% through message and audience iteration.
- rabbit inc** — Consumer AI hardware Santa Monica, CA
Marketing Associate Dec 2023 - May 2024
- Coordinated the rabbit r1 CES launch across product, creative, creators, media, and campaign assets, contributing to \$2M in day-one sales and global technology coverage.
 - Negotiated creator and vendor partnerships from \$200 to five figures and managed agency briefs, paid and organic assets, and reporting for campaigns generating 20M+ impressions and 30% higher engagement.

Leadership & Media

- Crypto Startup School** Remote
Co-founder & Host Oct 2020 - Present
- Built an audio-first media brand to 10K followers and monetized an education community with 500+ paying members; owned concept, production, distribution, and audience engagement.
- MetaEra** Remote / Hong Kong
Editor & Community Host Sep 2023 - Dec 2023
- Doubled a digital-media newsletter from 5K to 10K subscribers in three months and hosted weekly live community sessions with 500+ listeners.
- The Defiant** New York, NY
Journalist May 2022 - Aug 2022
- Published 15+ research-driven articles translating complex financial-technology topics for broad audiences; interviewed founders, investors, and industry operators. [View work](#)
